PURELL® Foodservice Surface Sanitizing Wipes

Eliminate Viruses and Bacteria Effectively and Conveniently

PURELL Foodservice Surface Sanitizing Wipes are formulated for food-contact surfaces with no rinse required, simplifying the cleaning and sanitizing process to meet foodservice needs.

EFFECTIVE

- Kills 99.9% of viruses and bacteria — including norovirus, *Salmonella*, *Listeria*, cold & flu, and human coronavirus.*
- Meets EPA 60-second sanitization.
- Sanitizes, cleans, and disinfects.

WORRY-FREE

- No precautionary statements.
- No handwashing, PPE, or gloving.
- Fragrance-free.

EFFICIENT

- Convenient, ready-to-use wipes require no mixing.
- The right concentration every time for consistent performance.
- No rinse required on food-contact surfaces.

Purell®

The Ultimate Sanitizing and Disinfecting Wipe

Some wipes sanitize but leave behind harmful viruses. Others disinfect but use harsh chemicals that require rinsing. Our revolutionary sanitizing, disinfecting, and cleaning wipe kills viruses and bacteria with no rinse required on food-contact surfaces.

Food Prep Areas

PURELL® Foodservice Surface Sanitizing Wipes eliminate overspray, help reduce the risk of cross-contamination, make it easy to clean large hard-to-wash items, are always ready when speed is a priority, and leave a positive impression with customers. For use in areas such as:

- Highchairs
- Large appliances
- Coffee machines
- Range hoods
- Condiment stations
- Scales
- Drain boards
- Cutting boards
- Food prep lines
- Grocery belts
- Deli slicers
- Self-serve areas

Fragrance-free formulation also ideal for caterers, cafeterias, temporary food establishments, food trucks, food processing plants, daycare centers, and schools.

PURELL® Foodservice Surface Sanitizing Wipes Test Strips are available and ensure compliance.

*Coronavirus Disease 2019 (COVID-19) is caused by SARS-CoV-2. PURELL Surface Disinfecting and Sanitizing Wipes have demonstrated effectiveness against viruses similar to SARS-CoV-19 on hard, nonporous surfaces. Therefore, PURELL Surface Disinfecting and Sanitizing Wipes can be used against SARS-CoV-19 when used in accordance with the directions for use against Feline Calicivirus (Norovirus) on hard, nonporous surfaces. Refer to the CDC website at https://www.cdc.gov/coronavirus/index.html for additional information.
