Hi Bakery Supply,

This is another example e-mail, this time the request/upload e-mail that is sent to your vendors

The e-mail is almost exactly the same as the download one, just linking to a different area. The upload page lets your vendor add the information for the document before it's uploaded to the program, so you never have to touch incoming documents.

Feel free to contact me at (503) 482-6628 with any questions you might have.

Uploading is Point-and-Click for each document required.

Vendors need not register nor set up an account, making it easy for them to comply with your requests.
